Re: **July Quarterly Report (5/15/08-6/30/08)**

The itemized Schedule A contributions which had incorrect values in the "Election Cycle-to-Date" field have been corrected and the new Schedule A is attached.

Again, I apologize for any inadvertent mistakes caused by data entry and computer programming. We will continue to review and improve on our practices.

My records show that all necessary 48 hour notices were faxed in as required. I have attached a copy of all pages which were faxed. The copies show my notes of the days these pages were faxed.
